

PERSONNEL**Recognition from Board of Education**

The Board shall consider as appropriate the recognition of board members, appointed officials, employees, and volunteers who provide service for the district. Accordingly, the Board authorizes the President or Superintendent to determine when and to whom plaques, awards, or certificates of achievement should be granted to board members, appointed officials, employees and volunteers. No such award, certificate or any other item of value to be awarded shall cost more than two hundred dollars.

Additionally the Board may provide one recognition dinner each year for elected or appointed officials, employees, or volunteers provided that the maximum cost per person for each dinner shall not exceed thirty dollars. Due to inflation and cost of living, this policy shall be reviewed periodically to keep current. Under no circumstances shall the Board expend public funds for any expenses incurred by a spouse of an elected or appointed official, employee, or volunteer unless the spouse is also an elected or appointed official, employee, or volunteer of the district.
